

Completed Sample of the Project Report Form

(Use A4 format)

10 points

25mm top margin

Title, 13 points or larger; use, in principle, the application title

Project No. ○○○○—○○○

Project Title

Method for Core Development of Nuclear

Mitsuaki SONOBE Hiro HORI

Affiliation, abbreviation in parentheses

¹⁾○○University ²⁾Jap an Atomic Energy Agency

When you apply for a title in Japanese, fill in the English version of the title, 10 points

Name in alphabets (given-name-surname order), 9 points

Summary

... when. . . developed evaluation methods for the analysis of. . . We are going to evaluate the methods for. . . and apply them to. . .

key words: ○○, reactor core, ○○○○, ○○○

(Insert blank line)

Supply about five key words.

1. Objectives . . . are dependent on. . .

20 mm left margin

20mm right margin

2. Methods We employed . . .

Basic Instructions: Use the A4 document format with around 38 lines per page and 96 single-byte characters per line. Type the main text in 10-point fonts. Adhere to the margin requirements. Please make sure that the text is easy to understand for non-specialists, for example, by providing explanations for uncommon abbreviations. If figures (graphs) or tables are used, please number or title them so that their relationship to the main text is clear. List the JAEA staff members in the Co-authors Section, if they will be credited as co-authors of a journal article.

We will determine. . . by channel analysis. . .

3. Results and Discussion

We applied the . . . to the . . . , and obtained the . . . by the formation of the. . .

. . . may be applied to the evaluation of a wide range of abnormal. . .

We developed. . . In the near future, this process will. . . We will assess the methods for the development of . . . , and explore the ways for its application.

4. References

25mm bottom margin

*) Attach a separate sheet, if more space is needed. The submitted project reports will be publicly disclosed on the JAEA web site. Use the form below to report the plans for presenting the results by publication or other means of communication.

Please fill out this form. (This information will not open to the public)

Reporting Date	DD/MM/YYYY Deadline is May 30 generally.										
Representative	Name John SMITH (Affiliation OOUniversity)										
Facility	<div style="display: flex; justify-content: space-between;"> Facility Details (Beam port, Line, etc.) </div> <div style="display: flex; justify-content: space-between;"> JRR-3 VT-1 </div>										
Plans/Scheduled to the published	You are kindly required to publish your research results by presenting a paper or other means within two years from April 1 of the fiscal year following the fiscal year. As soon as you have published your research result, please submit "Contact Form for Publication of Research Results" as well as the copy of your publication document/presentation material promptly. If the results are not made public, another usage fee will be applied. Due to this reason, the difference usage cost will be charged.										
Form Please Circle the corresponding parts.	Journal Article/Research Paper • Review • Proceedings • Book • Magazine • In-house Newsletter • Conference • Meeting • Workshop • Symposium • Lecture Meeting Debriefing Session • Press Release • Patent Pending Others()										
Name/Title	Journal of OO										
Date/Period of publication Please Circle the corresponding parts.	Within 3 months • 6months • 1year • 2years • not decided* “not decided ” → please explain the current situation and plans. <small>Examples: “No satisfactory results were obtained that deserved journal publication,” or “Our research requires several sets of experiments; the results will be published after completing the next project.”</small>										
About publish	If you publish the results of this research in a paper or other publication, please clearly state that the research was conducted under the JAEA's facility use programme such as; <u>This work was performed under the Shared Use Program of JAEA Facilities.</u>										
Number of Academic Dissertations	<p>In order to further develop and enhance JAEA's facility service system, it is necessary to disseminate the research results obtained using this system to society and to contribute to future human resource development. If you have prepared a dissertation based on this experiment, please fill in the following form. (ex. 2 theses)</p> <table border="1" style="width: 100%;"> <thead> <tr> <th>*Compilation period</th><th>MM/YYYY – MM/YYYY</th></tr> </thead> <tbody> <tr> <td>Dissertations (Ph.D)</td><td>1</td></tr> <tr> <td>Master's Thesis</td><td>2</td></tr> <tr> <td>Bachelor Thesis</td><td></td></tr> <tr> <td>Academic articles</td><td></td></tr> </tbody> </table> <p>*Compilation period: Fiscal one-year period involving the use of JAEA facility.</p>	*Compilation period	MM/YYYY – MM/YYYY	Dissertations (Ph.D)	1	Master's Thesis	2	Bachelor Thesis		Academic articles
